## **Ormond Field:**

The Recreation Department is aware of the girl's bathroom being out of order. They had to lock the restroom several months ago due to damages made by vandalism. These repairs should have been fixed last month but they are not as of today. We are still trying to find out the status of this and will certainly pass that information on to you soon.

The Board of Directors also strives to open the concession stand every night at the Ormond Field. We do have plenty of great items on our menu so please check us out. We also have great items for snack days for the little ones. So please support our concession stand each night!

Also, we are in the process and planning of redesigning the Ormond Field. We are looking for input for everyone on the improvements. Please send your comments and/or suggestions to any board members. Contact information is listed on our website, [www.destrehanboosterclub.com](http://www.destrehanboosterclub.com).
